

Deer Park Replacement Entrance Sign Survey

Please select your preferred choice for our new signs. We are allowing one vote per household.

1. Please select the number corresponding to your choice of sign from the drop down box.

The sign options for this vote are available for review at <http://www.deerpark-hoa.org/signs.htm>.

Note – there were three duplicate votes, one each for #1, #2, and #4. The above totals include these votes, but as you can see, their exclusion would not have changed the survey results.
